***Award reinstated.** Excerpt from official communication from AKC to NSCA Show Chair. “ an error occurred in the processing of the results for the National Shiba Club of America events held November 10 & 11, 2009. The wins were cancelled for Ryuu No Gen Go Shun'You Kensha, NP24099201 in error and have since been restored. There was confusion because of an error in spelling the dog's name which can happen with foreign dogs...No changes are warranted in the awards from the original placements at the events.”
